

Search and you will be Found!

If your website doesn't come up when people are looking for your kind of products or services, you're in danger of missing out on sales that could be falling into your competitors' laps. The good news is that you don't have to be a techie to improve the ranking of your website on Google. In fact there are some pretty simple and effective things that you can do to your website so that it becomes more visible on the web. Take a look at some of our great packages...

Off the Starting Blocks Intensive 3 Hour Starter Session £175

If you like to get results from having a go yourself then you will love this! Get into action with this one-to-one session held at our lovely offices in Arundel where we'll cover:

- what search is all about
- getting the most from your Content Management System (CMS)
- page titles, keywords and descriptions; how to use fresh content and news

- how to use links within your site
 - how to make use of many of Google's free tools including Google Page Rank and Google maps
- Look upon this half day as your one to one personal training session for your website! Or you can go one step further and take advantage of...

Your ongoing tailored Search Fitness Programme £99 per session, 6 month plan

If you're busy and you need more motivation, you'll really benefit from downing tools every four weeks and heading to our offices. Once there, we'll work alongside you in powerful two hour sessions where you can practice all those tips and strategies that you learned in that first intensive session. You'll get our undivided attention throughout each session and we'll review your progress so you know you're on the right tracks. Make search your regular habit and watch those results come in!
